### Kultur/ Grammatik

German has three articles: der, die and das

der = masculine

die = feminine

das = neutral

also: use "die" for all plurals, no matter what the article was

Comparative: The comparative in German takes an -er at the end of the adjective, just as it does in English with many words. If possible it also often takes an Umlaut.

schnell → schneller

laut → lauter

alt → älter

When using „no“ in front of nouns, we use „kein.“ do NOT use nein or nicht: "Ich habe kein Wasser."

"Stephanie hat keinen Bruder"
